About The Meeting House

We feel God is calling us into a new vision: Introducing spiritually curious people to the Jesus-centred life through a movement of Jesus-centred churches. What does that mean? Through our Meeting House sites and expressions across Southern Ontario, and new Jesus Collective network, our desire is to honour God by proclaiming the irreligious message of Jesus and fostering loving communities of fully committed Christ-followers in a way that makes sense for that local context. We are all about Jesus first, which we believe results in our values of peace, simplicity, community, and mission. We are reimagining what it would look like to be a church that is fully activated for mission and engaging the spiritually curious around us. We are committed to evangelism and kingdom growth within our existing footprint and uniting with other Jesus-centred churches to amplify our Kingdom impact beyond our footprint in ways we have not imagined before. We need people who share excitement about this spirit-led vision and want to contribute their gifts, skills, expertise and heart to this transformation!
