### About The Meeting House

We feel God is calling us into a new vision: Introducing spiritually curious people to the Jesus-centred life through a movement of Jesus-centred churches. What does that mean? Through our Meeting House sites and expressions across Southern Ontario, and new Jesus Collective network, our desire is honour God by proclaiming the irreligious message of Jesus and fostering loving communities of fully committed Christ-followers in a way that makes sense for that local context. We are all about Jesus first, which we believe results in our values of peace, simplicity, community, and mission. We are reimagining what it would look like to be a church that is fully activated for mission and engaging the spiritually curious around us. We are committed to evangelism and kingdom growth within our existing footprint, and uniting with other Jesus-centred churches to amplify our Kingdom impact beyond our footprint in ways we have not imagined before. We need people who share excitement about this spirit-led vision and want to contribute their gifts, skills and expertise and heart to this transformation! ### **Relationships**

Reports to:                      Lead Pastor

Priorities based on an average work time of approximately 10 hours per week:

Sunday mornings	4 hours
Meetings (one-on-ones, Lead Pastor check-ins, Site-wide, etc.)	3 hours
Administration, email, phone calls and planning	3 hours

Hour allocation is strictly an approximation and should be used as a guide for time management rather than the letter of the law. Some weeks will involve more hours while others will prove to be lighter.

### **What We Offer**

You will lead and work alongside amazing people in our community who love Jesus and are learning to put into practice what it means to follow Him. You will join a staff team who genuinely care for each other, love what they do and strive to work to the best of their abilities. None of us are superstars; we just try to authentically follow Jesus together. We are a fast-paced organization and are willing to try new things and experiment if we think something else will be more effective. We often fail first before finding what works best.
